Welcome to **TWIN TREES**

Our journey began with a forgotten 1930s Early Edwardian house in Great Brak River—originally built for the local headmaster and later used for Searle Enterprises workers. Hidden among overgrown bushes, it waited decades for new life. Laurette and Willem Swanepoel saw its beauty and, with the support of family and community, transformed it into a vibrant gathering place. Twin Trees opened in December 2020, named after the two proud trees on our grounds. Sadly, we lost one of these majestic trees during a severe storm, but we continue to honour its memory as a symbol of resilience, community, and good food.

What began as a waffle house has grown into a full culinary destination. Alongside our signature waffles, we now serve juicy steaks, burgers, fresh fish, and chicken. We hold our kitchen to the highest standards, using real butter, olive oil, fresh cream, and organic and hormone-free meat to bring you exceptional food.

Did you know?

Our story has come full circle! Twin Trees is now open in Willowmore—the very town where our journey originally began before bringing our passion to Great Brak River. If you find yourself in the Karoo, stop by to enjoy the same beloved flavours, warm hospitality, and quality you know and love.

From our family to yours, thank you for being part of our story.

Where taste meets music, art and wine!
